

What can I do with my major in...

CHEMISTRY?

Skills:

- 🌱 Chemistry students develop concrete skills to work in professional careers, which are related to science.
- 🌱 You will develop a scientific approach to thinking, so that you can resolve problems effectively.
- 🌱 Take on leadership roles, and be able to work in a team environment.
- 🌱 Collect data and be able to record your ideas in lab reports.
- 🌱 Enhance your ability to interpret scientific data and theories that you can apply professionally.

Sample Occupations:

Occupation	Strategies for building experience
Acupuncturists	<ul style="list-style-type: none"> 🌱 Become a member of UFV's Biology and Chemistry Student Association. 🌱 Speak to an Acupuncturist. 🌱 Look at The Canadian Society of Chinese Medicine and Acupuncture website. 🌱 Look into co-op and/or work study positions.
Chemical and Drug Sales Representative	<ul style="list-style-type: none"> 🌱 Volunteer at the Abbotsford Regional Hospital. 🌱 Become a member of UFV's Biology and Chemistry Student Association. 🌱 Look at the Chemical Institute of Canada's website. 🌱 Look into co-op and/or work study positions.
Chemical Safety Officer	<ul style="list-style-type: none"> 🌱 Join UFV Students for Sustainability Club. 🌱 Look into Environment Canada's website for volunteer opportunities. 🌱 Look into co-op and/or work study positions.
Chiropractor	<ul style="list-style-type: none"> 🌱 Become a member of UFV's Biology and Chemistry Student Association. 🌱 Speak to a Chiropractor. 🌱 Look at the Canadian Chiropractic Association website. 🌱 Volunteer at the Abbotsford Regional Hospital or the Canadian Cancer Society. 🌱 Look into co-op and/or work study positions.
Environmental Scientist	<ul style="list-style-type: none"> 🌱 Become a member of the BC Environment Industry Association. 🌱 Look into Environment Canada's website for volunteer opportunities. 🌱 Join UFV Students for Sustainability Club. 🌱 Look into co-op and/or work study positions.

Food and Drug Analyst	<ul style="list-style-type: none">  Become a member of UFV's Biology and Chemistry Student Association.  Look into Environment Canada's website for volunteer opportunities.  Look into co-op and/or work study positions.
Forensic Scientist	<ul style="list-style-type: none">  Become a member of UFV's Biology and Chemistry Student Association.  Volunteer at the Abbotsford Police Department.  Look at the Canadian Society of Forensic Science.  Look into co-op and/or work study positions.
Geneticist	<ul style="list-style-type: none">  Become a member of UFV's Biology and Chemistry Student Association.  Volunteer at the Canadian Cancer Research Society.  Look at the Society for Canadian Women in Science and Technology website.  Look at the Genetics Society of Canada's website.  Look into co-op and/or work study positions.
Lab Coordinator	<ul style="list-style-type: none">  Become a member of UFV's Biology and Chemistry Student Association.  Look at the Society for Canadian Women in Science and Technology website.  Volunteer at the Abbotsford Regional Hospital or the Canadian Cancer Research Society.  Look into co-op and/or work study positions.
Naturopathic Doctor	<ul style="list-style-type: none">  Become a member of UFV's Biology and Chemistry Student Association.  Speak to a Naturopath.  Look at the Canadian Association of Naturopathic Doctors.  Look into co-op and/or work study positions.
Organic Mass Spectrometrists	<ul style="list-style-type: none">  Become a member of UFV's Biology and Chemistry Student Association.  Look into the Canadian Society for Mass Spectrometry.  Look into Environment Canada's website for volunteer opportunities.  Look into co-op and/or work study positions.
Public Health Inspector	<ul style="list-style-type: none">  Become a member of UFV's Biology and Chemistry Student Association.  Speak to a Public Health Inspector.  Look at the Canadian Institute of Public Health Inspector's website.  Look into co-op and/or work study positions.
Pharmacy	<ul style="list-style-type: none">  Become a member of UFV's Biology and Chemistry Student Association.  Speak to a Pharmacist.  Look at the British Columbia Pharmacy Association website.

	<ul style="list-style-type: none"> 🌿 Look into co-op and/or work study positions.
Research Assistant	<ul style="list-style-type: none"> 🌿 Become a member of UFV's Biology and Chemistry Student Association. 🌿 Volunteer at the Abbotsford Regional Hospital or the Canadian Cancer Research Society. 🌿 Look at the Society for Canadian Women in Science and Technology website. 🌿 Look into co-op and/or work study positions.
Science Writing	<ul style="list-style-type: none"> 🌿 Become a member of UFV's Biology and Chemistry Student Association. 🌿 Look at The Canadian Science Writers Association. 🌿 Look into co-op and/or work study positions.
Water Quality Analyst/Technician	<ul style="list-style-type: none"> 🌿 Join UFV Students for Sustainability Club. 🌿 Volunteer at Parks, Recreation and Culture. 🌿 Look into Environment Canada's website for volunteer opportunities. 🌿 Look into co-op and/or work study positions.
