

The University of the Fraser Valley offers a selection of possibilities for your recruiting, interview, and information session needs. We offer large and small interview rooms, smart high tech classrooms, and high traffic information table areas.

If you are looking for a great way to connect with university students and future graduates for employment then recruit on-campus at UFV.

BOOKING AN EVENT WITH THE CAREER CENTRE

INFORMATION TABLES - \$50.00

Information tables provide an opportunity for students to meet with representatives from your organization on their own turf, the UFV campus. The career centre can arrange to set up a table for you in a high traffic area of the University. This offers an occasion to talk and meet with students on the fly in an informal setting, where you can promote your company's current job opportunities and set up interviews with UFV students passing by.

INFORMATION SESSIONS - \$50.00

These sessions are an excellent way to connect with UFV students and alumni, strengthen your relationship with up and coming graduates at UFV, create awareness and introduce your target audience to potential career paths at your organization.

INTERVIEW ROOMS - \$50.00

Interview UFV students, on-campus, in a comfortable environment. Being on-campus is great way to ensure you have a chance to meet with prospective employees around their busy school schedules. Rooms booked for interviews can be large or small based on your interview style.

HOW TO BOOK AN INTERVIEW ROOM, INFORMATION TABLE OR SESSION:

You can book an interview room, information table or session on CareerLink by clicking on the 'events' tab or 'Request New Information Session' under 'shortcuts' (to register your organization, please go to www.ufv.ca/jobs/careerlink).

TIPS FOR RECRUITING ON CAMPUS

- Know your hiring target.
- Consider what your organization's needs are over the next 12 months, be prepared with actual job information, location etc.
- Remember there are some peak periods throughout the academic year when students have a number of deadlines to meet. We recommend that you consider booking your information session during the following time frames:
 - **September 13 – December 6, 2010**
 - **January 17 – April 15, 2011**
- Bring a new employee who's a recent grad to speak to the student audience. The more junior the speaker, the better they are at talking about an entry-level job.
- Get involved on campus by sponsoring student clubs and organizations. Create a mutually beneficial relationship.
