

Admission Requirements, UBC Physical Therapy:

- Completion of a recognized baccalaureate degree in any field (120 credits) and the successful completion of prerequisites below* as well as satisfying the Admissions requirements of the Faculty of Graduate Studies.
- GPA calculation for pre-admission to the MPT program will be calculated as follows: a calculation will be completed by our department based on the anatomy, human physiology, statistics and psychology prerequisite courses plus the last 30 credits of university senior level (300 and 400 level) academic study, completed and final as of January 15. We will include summer, part-time, intercession, correspondence, exchange, failed and re-taken courses taken within or beyond the 4-year degree.
- Academic standing of a minimum B (72%) in each prerequisite course is required. Admission trends indicate that students will need approximately an 80% average to be competitive.
- Academic standing of a minimum of B+ (76%) weight GPA average in senior level courses (300 and 400 level) is the minimum requirement for entrance to the Faculty of Graduate Studies.
- A minimum of 70 volunteer hours or work experience are required which includes direct contact involving interaction with persons with cognitive, emotional, or physical disabilities at no more than two facilities. These hours must be completed at the time of application.
- Three reference letters are required (two academic and one practical experience reference).
- Interview: Applicants who meet the above minimum requirements are eligible for interview consideration (verbal communication skill, maturity and personal suitability).
