

Testimonials

I have had a very good experience at UFV. The teachers I had a chance to interact with were very friendly and helpful. Having this level of equipment and this much material to learn on was a joy.

Graduate 2011

It was enjoyable. From just getting out of high school it was a big step but it turned out to be a great experience.

Graduate 2011

UFV is a good school. I like everything about the program. Everything is top of the line. I love the machines here and the teachers are very helpful.

Graduate 2011

Training that goes beyond standard course outlines. Experienced instructors know what employers need you to learn.

Graduate 2011

My experience at UFV has been great. I enjoy my class very much and the campus facilities are fantastic. Amazing Welding Shop.
