

Looking for a challenging, exciting and meaningful summer job?

The Zajac Ranch for Children seeks to normalize and enhance the quality of life of children with chronic or life threatening illnesses and/or disabilities through specialized programs. Children who attend camp will improve their self-esteem and confidence in an empowering and fun environment, while ensuring their physical safety and medical well-being. Our 24 hour on-site medical facility allows us to offer these children a chance to go to camp where, in many cases, they would be unable to attend. **We are looking for summer staff and volunteers that want to help create a magical environment for our campers this summer!**

Criteria:

1. Minimum 19 years of age
2. Physical and mental capability of caring for campers
3. Knowledge of camp or camping experience (helpful)
4. First Aid and CPS "c" certification (by the start of summer camp)
5. Confidence in attending to the daily needs of the children
6. Ability to maintain a positive cabin environment
7. Skills in encouraging group cohesion and building self-esteem
8. Ability to work with others, collaboratively and effectively

For more information, and the **volunteer** and **staff** applications, go to our website at: www.zajacranch.com

Out here we raise spirits.
