

Persistent links direct students to specific full-text journal documents found in our research databases. These links are stable, and can be accessed from both on and off campus. These links could be used for e-reserves, electronic reading lists or incorporating into Blackboard and other online course resources.

1. Find the item you want to link to. Click on "Bookmark this Document"

2. A pop-up window will appear. Copy the link.

The persistent link will look like this:

<http://go.galegroup.com/ps/i.do?id=GALE%7CH1420000416&v=2.1&u=abbo55004&it=r&p=LitRC&sw=w>

Please note that this URL does not include the UFV Library proxy server prefix, which is essential to providing off-campus access to the stable link.

3. To access the article off campus you need to add the following prefix to the existing url:

<http://proxy.ufv.ca:2048/login?url=>

4. The finished URL will look like this:

<http://proxy.ufv.ca:2048/login?url=http://go.galegroup.com/ps/i.do?id=GALE%7CH1420000416&v=2.1&u=abbo55004&it=r&p=LitRC&sw=w>
