

Persistent links direct students to specific full-text journal documents found in our research databases. These links are stable, and can be accessed from both on and off campus. These links could be used for e-reserves, electronic reading lists or incorporating into Blackboard and other online course resources.

1. From the results list, click on "view full entry".

The screenshot shows a search results page for Project MUSE. At the top, there is a search bar with the text "Search within Results" and a search button. Below the search bar, there are options for "New Search" and "Modify Search". The search results are sorted by "Relevance" and show 10 results per page. The first result is "A Narrative Game of Cat and Mouse: Parody, Deception, and Fictional Whodunit in Natsume Sōseki's Wagahai wa neko dearu" by San Kawana. The result includes the journal title "Journal of Modern Literature, Volume 33, Number 4, Summer 2010, pp. 1-20 (Article)", the author's name, and options for "HTML Version" and "PDF Version (6.15k)". A red circle highlights the "HTML Version" link, with an arrow pointing to a box labeled "HTML version". Below the main title, there are "Subject Headings" including "Natsume, Sōseki, 1867-1916. Wagahai wa neko de aru.", "Detective and mystery stories -- History and criticism.", and "Narration (Rhetoric)".

2. Copy the URL from the address bar.

The screenshot shows a web browser window with the address bar highlighted in red. The address bar contains the URL "http://muse.jhu.edu/journals/journal_of_modern_literature/v033/33.4.kawana.html". An arrow points from this URL to a box labeled "Persistent URL". The browser window also shows the Project MUSE logo and navigation buttons for "Article Search" and "Browse Journals". The browser's address bar shows the following breadcrumb: "Project MUSE >> Journals >> Journal of Modern Literature >> Volume 33, Number 4, Summer 2010 >> A Narrative Game of Cat and Mouse".

The persistent link will look like this:

http://muse.jhu.edu/journals/journal_of_modern_literature/v033/33.4.kawana.html

Please note that this URL does not include the UFV Library proxy server prefix, which is essential to providing off-campus access to the stable link.

3. To access the article off campus you need to add the following prefix to the existing url:
<http://proxy.ufv.ca:2048/login?url=>
4. The finished URL will look like this:
http://proxy.ufv.ca:2048/login?url=http://muse.jhu.edu/journals/journal_of_modern_literature/v033/33.4.kawana.html
