- Select Standard Download and click Go.
- Select ASCII and Full Record as the Record Format and click on Go.

To download a record, select the format type (ASCII, CSV, or MARC21). Next, choose either brief or full record type, then add any additional sections you want. Once you are finished, click on the "GO" button and save the file to your local hard drive. The default file extensions will be ".gbip" for ASCII format type, ".csv" for CSV format type and ".mrc" for MARC21 format type.

ASCII (Plain text) **CSV** (Comma Separated Values) **MARC21**
 USMARC
