

# UNIVERSITY OF THE FRASER VALLEY

Abbotsford & Chilliwack Campuses

Fall 2011

## Math Centre Assistants: Anna Kuczynska and Camilo Martinez

Here is the list of who is comfortable helping you with what. In Math, everyone can help you with college prep and pre-calculus courses. Beyond that, it is most efficient to get help from people who have recently been involved with the course. **In Statistics, please try to come for help when a statistics instructor is present.**

\*\*\*\*\*Check the timetable for availability\*\*\*\*\*
