## Entry Level Statistical Work

**Abstract:** What is meant by "Entry Level" in the context of statistical work? Examples of Time Series, Regression Models and Experimental Design & Analysis will be shown as common work encountered. What issues arise with these methods? And more importantly, how do you get an entry level job that actually uses statistics?

.....

**Monday, September 21, 4:00pm**  
**Room C1425, Abbotsford**

All students, faculty and staff are invited to attend.
