- 3) None currently. Senate will be my passion.
- 4) Curriculum development
- 5) None

Like Yin and Yang, rights, and responsibilities are inseparable, with one, comes the other. As a faculty member, if I expect the right to participate in the governance of the university, I also have to accept the responsibility of participating in the governance of the university. I have represented the faculty at one end of the spectrum as a shop steward for the FSA, I am asking now for the opportunity to represent the Faculty at the other end of the spectrum, the Senate.
