COURSE DESCRIPTIVE TITLE		

### CALENDAR DESCRIPTION:

This course explores the ways according to which a society "covers" and leaves the body "uncovered," thereby conditioning our individual and corporeal identities through such signs and symbols. Clothes are society's ways of showing where we belong in the order of things, our role and position in the social pageantry. This course recognizes that dress has "emblematic" dimensions beyond mere functionality. By analyzing various garments in their historically fashioned contexts we focus on the social and cultural significance of dress as marker uncovering our ambitions and inhibitions.

Note: Students with FD 341 cannot take AH 341 for further credit.
