Students are advised to keep course outlines in personal files for future use.

Shaded headings are subject to change at the discretion of the department – see course syllabus available from instructor

CMNS 490	Communications	4
COURSE NAME/NUMBER	FACULTY/DEPARTMENT	UCFV CREDITS
Directed Studies in Communications		
COURSE DESCRIPTIVE TITLE		

CALENDAR DESCRIPTION:

This course will provide students the opportunity to pursue in-depth independent study of a communications issue, theme, or problem. Students must, in consultation with a faculty members from Communications and their discipline, develop a detailed project proposal indicating the rationale, readings, scope, objectives, and methods prior to beginning the course. The completed project must display the student's abilities as an effective writer, knowledge of audience, and thorough familiarity with the selected topic area.

PREREQUISITES: 60 university-level credits completed, of which at least 12 must be from CMNS, and permission of instructor. If faculty availability is limited preference will be given to students pursuing a degree option in CMNS.
