COURSE CONTENT:

[Course content varies by instructor. An example of course content might be:]

1. (a) Belle Epoque or Fin-de-Siècle?
 (b) What is an intellectual/cultural revolution?
 (c) Discussion of documents
 (d) Historical approaches to modernism
2. (a) Lecture: From History to Psychology: The Transformation of 19th-Century Culture
 (b) Discussion of Hollister, "The Birth of Modernism"; Hughes, Consciousness and Society
3. Comparative Discussion of Hughes, Schorske, Fin-de-siècle Vienna: Politics and Culture and "Generational Tension and Cultural Change," and Kern, The Culture of Time and Space (on Reserve in Library): Students must be prepared to discuss the

following questions concerning the texts by these three authors: How do they each define or conceive of the intellectual and cultural changes in Europe between ca. 1880 and 1914? How do they approach and "make sense" of these changes? What sorts of things and geographical areas do they focus on? Why? Do they have a thesis? If so, what is it? In what ways do they illuminate (or fail to illuminate) the nature of and reasons for the turn-of-the-century intellectual/cultural revolution? In what ways are their approaches and arguments similar? How do they differ? Which approach do you prefer and why?

4. Modernism, Money, and the Metropolis: Discussion of Simmel, "The Metropolis and Mental Life"; Bergson, Time and Free Will and "An Introduction to Metaphysics"; and Mallarmé, "Poetry as Incantation"
