Learning Outcomes

Upon successful completion of this course, students will be able to:

- Identify key colonial historical decisions and Indigenous responses that impact Indigenous learning.
- Discuss decisions made by Canada's Federal and Provincial governments that affect Indigenous peoples and education.
- Analyze how residential schools and other assimilation and integration policies continue to impact Indigenous learning.
- Identify strategies and policies that focus on capacity building for Indigenous communities, youth, and families.
- Demonstrate ability to learn respectfully and responsibly from Indigenous ways of knowing and being.
- Demonstrate respectful, responsible, and culturally appropriate ways to infuse Indigenous ways of knowing and being into classroom settings.
- Demonstrate the ability to communicate with and advocate for Indigenous youth, families, and Indigenous ways of knowing and being.

Recommended Evaluation Methods and Weighting (Evaluation should align to learning outcomes.)

Project: 30%	[click to select]	Holistic assessment: 40%	%
Assignments: 30%	[click to select]	[click to select]	%

Details:

NOTE: The following sections may vary by instructor. Please see course syllabus available from the instructor.

Texts and Resource Materials (Include online resources and Indigenous knowledge sources. <u>Open Educational Resources</u> (OER) should be included whenever possible. If more space is required, use the <u>Supplemental Texts and Resource Materials form</u>.)
