Students who receive an Incomplete will normally have up to 6 weeks after the final course date to complete either the practicum requirements or the portfolio work, or both. An incomplete will only be issued in extenuating circumstances after consultation with an agreement by the practicum supervisor. (Poor time management or an unsuccessful practicum for example, will not be considered as reasons for issuing an incomplete.)

Typical Course Content and Topics

Within the mandatory minimum of 20 hours of observation, 30 hours of teaching and 20 hours for seminars, consultation, collaboration, performance review, and creation of a portfolio there will be considerable variation of content from student to student given the nature of a practicum class. However, all students will complete the guided observation and teaching hours, the reflective writing assignments, the portfolio compilation, the peer observation and evaluation, and textbook and materials assignments. All students will also consult sponsors with respect to lesson planning and materials creation. In addition, they will also have their teaching performance reviewed by both their sponsors and the practicum supervisor.
