

WE SHARE THE AIR

Let's work together to limit the use of scented products at UFV, including:

- personal hygiene products such as colognes, lotions, etc.
- air fresheners (e.g., deodorizers, potpourri, oils and candles)

Please help us create a healthier environment by
choosing to use scent-free products

Learn more about creating a scent-free environment by reviewing UFV's Scent Awareness Program and other helpful resources online
