Faculty Council approval	Date of meeting: January 19, 2023												
Undergraduate Education Committee (UEC) approval	Date of meeting: February 10, 2023												
	Date of meeting: October 27, 2023												

Learning Outcomes

Upon successful completion of this course, students will be able to:

1. Demonstrate a critical reflective practice, transferable skills, self-agency, and self-leadership in post-university contexts. (i.e., work, graduate or professional schools, entrepreneurial ventures, career advancement).
2. Use labour market and career development research to produce a personalized transition and/or professional development action plan.
3. Analyze ethical considerations using a variety of workplace situations considering equitable working conditions, technological changes, and social, environmental, economic, and political factors.
4. Develop or expand a career development support network plan (i.e., professional organizations, LinkedIn, colleagues, mentors, personal networks).
5. Demonstrate oral, written, and interpersonal communication skills used in a professional context.
6. Produce an “outward” facing digital application for sharing career or graduate school applications materials, and/or preparing materials for promotion within professional organizations.
