(four years after UPAC approval) (month, year)

OFFICIAL UNDERGRADUATE COURSE OUTLINE INFORMATION

Students are advised to keep course outlines in personal files for future use.
Shaded headings are subject to change at the discretion of the department – see course syllabus available from instructor

<u>ECON 397</u>	<u>Arts/Economics</u>	<u>3</u>
COURSE NAME/NUMBER	FACULTY/DEPARTMENT	UFV CREDITS
<u>Regulatory Economics</u>		
COURSE DESCRIPTIVE TITLE		

CALENDAR DESCRIPTION:

This course provides a framework for students to understand regulatory issues in the rapidly changing area of government-business relations in the 21st century. Students will learn the principles of and rationale for government regulations of business and examine how these principles are practiced in a number of industries to resolve various policy issues. They will also gain knowledge of the nature of business organization, market structure, and regulatory regime, with a particular focus on the Canadian economy.
