India, the Punjab and Diaspora: A Study of Migration and Community Formation in Canada.
COURSE DESCRIPTIVE TITLE

CALENDAR DESCRIPTION:

The Punjab and adjacent regions of northern India have long been a major source of South Asian migration to Canada. History 4xx seeks to understand the factors that encouraged the pre and post Independence diasporas by studying the history of northern India with special reference to the Punjab. It will explore the reasons that the Punjab developed special connections with Canada. The course will then focus on the process of community formation as South Asians sought to gain a foothold amongst an often hostile Anglo-Canadian society. History 464 shall explore the maturation of Indo-Canadian society and its integration into the broader Canadian cultural mosaic. Special attention will be paid to the Sikh community and its experience in British Columbia.
