SUPPLIES/MATERIALS:

TEXTBOOKS, REFERENCES, MATERIALS (List reading resources elsewhere)
To be determined by the student and faculty member.

OBJECTIVES:
The Directed Readings course will allow students to continue research in areas begun in other SOC/ANTH courses, or to explore in depth the literature relating to specific issues or sub-fields of the disciplines.

METHODS:
Students will work on their own in consultation with and under the direction of a faculty member. The nature and number of meetings between student and faculty will be determined by the supervising faculty members.

STUDENT EVALUATION PROCEDURE:
While there is significant flexibility in student evaluation, it is understood that this course requires at least one major research paper with related proposal, outline and bibliographic requirements.
