LEARNING OUTCOMES:

Upon successful completion of this course, students will be able to:
1. Develop and complete an individual painting project, including relevant conceptual support material and an artist's statement.
2. Articulate knowledge and critical awareness of contemporary art making principles and processes.
3. Pursue painting as a creative discipline in itself or in conjunction with other arts related practices.

METHODS: *(Guest lecturers, presentations, online instruction, field trips, etc.)*

The student drafts a schedule of projects, in conjunction with the instructor that reflects individual and skill development interests. Critical art theory will be discussed in relation to the student's art practice.
