

## 2026 GUY RUSHTON SPECIAL RECOGNITION AWARD

*Guy Rushton was a mature student in his 60s, active in student politics. After graduating with his BA at UFV, he went on to UBC to start an MA, before he fell ill and could not continue. He was part of a cadre of very active students in the early 1990s. He was part of a group of UFV “rabble rousers” who were incredibly intellectually curious, not afraid to challenge senior management or the Board of Directors. He was active in student life, his community, and was especially engaged in challenging “the status quo.”*

*The Guy Rushton Award recognizes a graduating student within the School of Culture, Media, and Society who exemplifies the qualities of scholarship and leadership in their program, the institution, and in their community.*
