In recognition of the challenges faced by students during the transition to remote and on-line learning, UFV has created an option for students to request Credit Standing in lieu of a C- or D letter grade.

By completing this form students may request conversion of a **C- or D grade** to a credit (CR grade notation) for pre-requisite purposes or to protect their GPA.

C or higher grades are not eligible for credit standing.

Requests for credit standing must be submitted no later than April 30, 2022.

Please Note:

- A credit (CR) notation is sufficient to meet the minimum grade required for most **but not all** prerequisite courses. Students are strongly advised to review the [Academic Calendar](#) for program specific information.
- Students may also consult with an academic or program advisor to make an informed choice about receiving CR in lieu of a letter grade. Please email advising@ufv.ca with any questions about how this might impact your program.
- A credit (CR) notation has no effect on a student's semester, program, or cumulative Grade Point Average. It is not used in the calculation of the Dean's List or Graduation with Distinction.

Students who wish to appeal their final letter grade may utilize the [Final Grade Appeal](#) process.

To submit a petition for credit standing instead of letter grade:

- Complete and sign this PDF fillable form. Please download and save it to your computer prior to completing and sending.
- Submit completed form by email (must be from UFV email account) to reginfo@ufv.ca or in person at the Office of the Registrar by April 30, 2022.
