## POLICY - Section: 109

An "I" (incomplete) grade may be assigned:

- at the instructor's discretion, when a student is unable, due to extenuating circumstances, to complete all of the requirements of a course by the end of the semester and has made sufficient progress and achievement to warrant additional time for completion.
- when academic misconduct is being investigated, until the investigation is complete.

Note: An "IP" (In Progress) grade is used for course or thesis work that continues into the next semester.

When an "I" grade has been assigned, the "I" grade shall be reported by the date final grades are due for the course.

## PROCEDURE

1. Complete the information required below which describes the work to be completed and the completion date. Send a copy to the student and submit a copy to grades@ufv.ca.
2. The final grade must be received by the Office of the Registrar not more than two months after the day the final grades are due, unless an extension to that date is approved by the appropriate dean, director, or department head and submitted to grades@ufv.ca.
3. If the final grade has not been received within two months and an extension has not been submitted, the "I" grade will be changed to a final grade, "F" (fail) by the Office of the Registrar, unless the grade earned to date is noted below.
