A screenshot of the University of the Fraser Valley's Advising Centre website. The page features a green header with the university logo, a search bar, and navigation links for Registration, Advising Centre, MyCampusLife, Residence, Career Centre, Student Services, and About UFV. Below the header is a large image of a diverse group of students and staff. The main content area includes the heading "ADVISING CENTRE", a breadcrumb trail "UFV / ADVISING CENTRE", and the title "Advising Centre". A paragraph states "Academic Advisors help students plan their education and careers". A large orange arrow points to a green button labeled "+ Reasons to Connect with an Advisor". To the right, there are three green buttons: "Book a workshop/seminar" and "View/cancel my bookings".

How often should I meet with my Academic Advisor?

- Students can make an appointment with their Academic Advisor at any point throughout their program.
- It is a good idea to meet before each registration period to course plan, and update your program plan.
- It is important to remember that not all courses are offered each semester, and you need to complete some courses in a particular order to continue in the program.

What courses should I take?

Fall Semester

- HSER 120 – Interpersonal Communications for Human Services
- HSER 190 – Intro to School and Community Support
- SOWK 110 – Intro to Social Work and Human Services
- SOWK 225 – Human Behaviour and the Social Environment
- CMNS 125 – Communicating Professionally to Academic and Workplace Audiences or ENGL 105 - Academic Writing

Meet with your advisor to create a completion plan for the remainder of the program. You may take this program part-time but this will create a delay in practicum and graduation. HSER and SOWK courses are only offered certain semesters.
