MANAGEMENT REPORT and STATEMENT OF

FINANCIAL INFORMATION APPROVAL

For the Fiscal Year ended March 31, 2025

Pursuant to the
Financial Information Act
RSBC 1996, c. 140,
Financial Information Regulation
(August 1, 2018), Schedule 1, Section 9

MANAGEMENT REPORT

The Financial Statements referred to in this Statement of Financial Information under the Financial Information Act have been prepared by management in accordance with generally accepted accounting principles and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Governors is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal controls and exercises this responsibility through the Finance & Audit Committee of the Board. The Finance & Audit Committee of the Board meets with management and the external auditors once a year.

The external auditors, KPMG, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the corporation's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to the Finance & Audit Committee of the Board and meet with it on a regular basis.

On behalf of the University of the Fraser Valley

Cristen Gleeson

Board Chair
