

This is your place.

The University of the Fraser Valley's campuses and learning locations are situated within Stó:lō Téméxw, the land of the Stó:lō peoples. The Stó:lō have an enduring relationship with S'ólh Téméxw (Our Sacred Land). We express our gratitude and respect to the Stó:lō peoples for the honour of living, learning, and working on this territory.

In Halq'eméylem, the language of the Stó:lō peoples, íyáqáwtxw means 'house of transformation'. We believe university should be a place to learn, grow, and even surprise yourself. We see your time here as a chance to change in ways that matter.

Learn, grow, surprise yourself.

We won't ask whether you're ready for university.

We'll ask how university can be ready for you.

You don't need to have everything figured out before you get here. It's about discovering new ideas, new strengths, and new possibilities. At UFV, you'll find a community that knows you, supports you, and challenges you to become more than you imagined.

Close to home. Open to possibility.

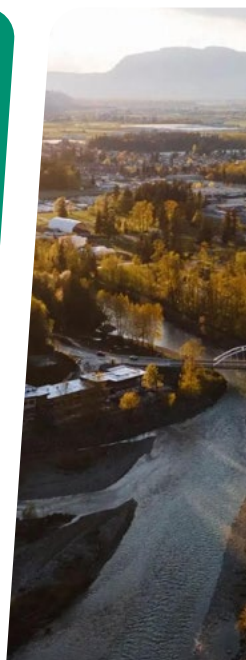

"I chose UFV because of its location and the sense of community I felt when I was exploring my options. Since coming here, I've found that community both inside and outside the classroom."

Design student

CAMPUSES IN COMMUNITIES

With campuses and centres in Abbotsford, Chilliwack, Mission, and Hope, UFV offers opportunities to learn where you live and connect with communities across the Fraser Valley.

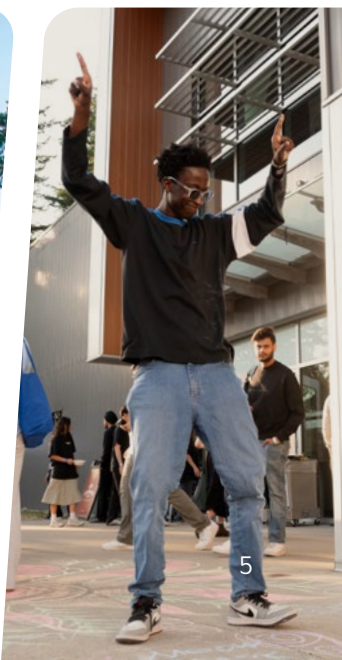

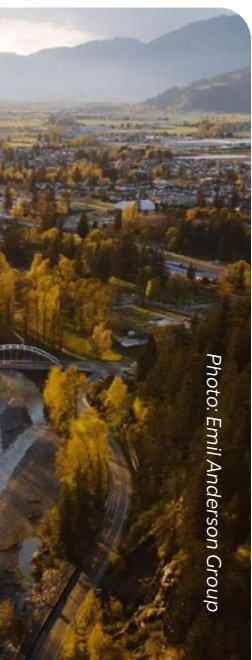

Rooted in the Valley

From vibrant city centres to mountain views, the Fraser Valley is a place to learn and belong. With campuses across the region, UFV connects you to the people, opportunities, and experiences that make this an incredible place to build your future.

TRANSPORTATION

The Abbotsford and Chilliwack campuses are connected by the Student Union Society campus shuttle. UFV students also receive a **U-Pass**, which allows students free access to most transit routes in the Fraser Valley and access to select recreation facilities in Abbotsford and Mission.

"The best part of living on campus is getting to meet new people, cooking together, and spending late nights watching movies. It's like a family."

Alisha, Biology student

Live steps from class.

Be part of a built-in campus community from day one

When you live on campus, everything you need is close by — from classes and study spaces to dining and student support. Spend less time commuting and more time making the most of university life.

You'll also find the Cascade Café right on your doorstep, with inclusive dining options for a wide range of dietary preferences.

Our on-campus housing, Lá:lem te Baker and Lá:léms Ye EverGreen, are conveniently located at the heart of Abbotsford campus, just steps away from everything you need.

Lá:lem te Baker offers double suites with private bedrooms, while Lá:léms Ye EverGreen features a variety of housing options, including quads with four private bedrooms and one-person studios.

More than just a place to live, on-campus housing offers a built-in community from day one. You'll have opportunities to connect with other students through shared spaces, events, and everyday campus life.

ON-CAMPUS HOUSING COSTS*

Expenses

Application fee (<i>non-refundable</i>)	\$50
Room offer acceptance fee (<i>non-refundable</i>)	\$600
Campus living (<i>includes a Campus Rec pass</i>)	\$144/semester
Meal plan (<i>mandatory for all students living in UFV Housing, for their first academic year or semester, regardless of year of study</i>)**	\$2,800 or \$3,360 (per semester)

Belong your way.

Connection looks different for everyone

Student life at UFV is as varied as the people who make up our community. Dive into the action or ease into connection. There are so many ways to belong here.

ON-CAMPUS EVENTS

There is so much happening on campus. You'll learn more each week through a student newsletter written just for you.

Get to know your campus community at **Kickback** every September. This Student Union Society-hosted event features live music, games, food trucks, and info booths.

The **Interpret: Creative & Performing Arts Festival** showcases the work of UFV's creative students, giving them opportunities to network with other artists and prospective employers.

INTERPRET: CREATIVE & PERFORMING ARTS FESTIVAL

50+

CLUBS AND ASSOCIATIONS

From fitness and philosophy to culture and crafts, clubs and associations offer a way to meet other students, connect over shared interests, and build friendships or study groups.

UFV International offers social and cultural activities on and off campus, giving international and domestic students opportunities to connect, learn, and have fun together.

The **UFV Pride Collective** facilitates 2SLGBTQIA+ events like Queer Prom and Dishin' with Divas.

WELLNESS SPACES

Quiet spaces on campus, like study pods or the pollinator gardens, make it easy to step away from it all for a minute to read a book, knit, or study. Or drop by the **Student Experience Lounge (S111)** to relax or connect with others.

SUS BUNNY YOGA

Come for the game. Stay and play.

Athletics and Campus Recreation

University isn't just about studying. Join an intramural team, try something new, cheer from the sidelines, or simply find ways to stay active. However you like to move, there's a place for you at UFV.

"I was able to get a scholarship to help cover the costs of school, which allows me to focus more on soccer. I'd say the soccer team is a pretty tight family, so I knew that I made the right choice in coming here."

Ebi, Kinesiology student

MOVE, PLAY, AND THRIVE ON CAMPUS

ufv.ca/campus-rec

The Athletics and Campus Recreation department offers a wide range of programs that make it easy for students to stay active and engaged on campus.

Non-varsity sports are a core part of campus life. Intramural recreational leagues are open to all students. We also offer drop-in and open-court gym sports as options if you can't commit to a team schedule. These non-varsity sports are designed for friendly, on-campus competition and are open to all skill levels.

Fitness classes are offered at the Summit Fitness Centre on the Abbotsford campus and the MoVement Studio on Chilliwack campus. A Campus Recreation Membership provides full access to many programs and facilities.

GO, CASCADES, GO!

gocascades.ca

UFV Cascades games are a great way to connect with friends and show your school spirit. Whether it's basketball, soccer, volleyball, rowing, baseball, or golf, the energy is always high. Come out, watch some great competition, and cheer on your fellow students. Every voice in the crowd matters.

STUDENT SERVICES

We'll push you. But we'll also catch you.

We're here for you on campus, online, and even after you graduate. That's true whether you need academic advice, counselling, career guidance, assignment help, or even just a sympathetic ear.

Find support at ufv.ca/student-services

"I've been a UFV student for a few years and I wish I had discovered UFV's Centre for Accessibility Services sooner. I didn't realize that there were so many options for students with ADHD, and it's made my life so much easier. UFV can help you with every challenge you might run into, you just need to reach out!"

INDIGENOUS STUDENT CENTRE

ufv.ca/isc

S'olh Shxwèlì (Our Place) is UFV's Indigenous Student Centre, providing a welcoming space for Indigenous students and easy-to-access resources for the UFV community. The centre's goal is to provide cultural, social, and academic supports for Indigenous learners, both as they enter the university and as they continue their studies. The centre's core cultural services are available to self-identifying Indigenous students and include lunches, Elder's teachings, workshops, plus other activities on and off campus. The centre also hosts events for the general university community. The centre's Indigenous student transition coordinators are available year-round to support Indigenous learners both before they apply to UFV and during their time here.

Practical courses. Power

The classroom looks different here

University isn't just about grades. It's about growth, experience, and discovering what matters to you. However you choose to shape your journey, UFV can help you make the most of every moment.

"The best part of my program at UFV is how hands-on it is. As a design student, I love getting to actually do the work and gain real experience, instead of just learning the theory."

Vanshika, Graphic and Digital Design student

STUDY ABROAD

Take your education beyond the Fraser Valley. We can help you step outside your comfort zone and into the world. Spend a semester abroad and experience a new culture. Gain the confidence, independence, and global perspective that comes with living and learning overseas.

Powerful experiences.

LABS AND WORKSHOPS

Learn by doing in UFV's simulation labs, studios, shops, and specialized learning spaces. Practise real-world skills with industry-standard equipment. Build confidence and gain hands-on experience in a safe, supportive environment before you enter the workplace.

RESEARCH

Work alongside faculty on meaningful research that tackles real-world questions. Whether you're assisting in a lab, conducting fieldwork, or presenting your findings, you'll gain hands-on experience while making a meaningful contribution.

"UFV has helped me grow in confidence in ways I never expected. When I left high school, I was very shy and unsure about my future. Through collaborating on projects and working with others in my courses, I've become much more comfortable sharing my ideas, meeting new people, and showing my work. What used to feel intimidating now feels exciting."

CHANGEMAKING AT UFV

A chance to change in ways that matter.

At UFV, you'll learn to solve real-world problems with creativity, compassion, and purpose.

Guided by values like sustainability, reciprocity, empowerment, and Indigenous ways of knowing, you'll graduate ready to make a meaningful difference in your community and beyond.

RECOGNIZED AS AN ASHOKA U CHANGEMAKER CAMPUS

UFV is part of a global network of universities committed to preparing students to create positive change.

ufv.ca/changemaking

"Changemaking to me is:
if you see something and
you want to change it,
why are you waiting?
Just make a change.
Stand up, get up! If you
want to see change, you
have to get up and do
something about it!"

**Misha, Psychology
and Sociology student**

CHANGEMAKING CAN LOOK LIKE...

-  Restoring local ecosystems
-  Partnering with community organizations
-  Designing technology that helps people
-  Improving health and well-being
-  Supporting Indigenous communities
-  Creating more inclusive education
-  Building ethical businesses
-  Tackling food insecurity

Your path to UFV starts right where you are.

GENERAL ADMISSION REQUIREMENTS

Admission to UFV generally requires BC high school graduation or equivalent. For some programs, students without high school graduation may be admitted as mature students.

HIGH SCHOOL TRANSCRIPTS

Applicants must provide UFV with their high school transcript. BC students should submit authorization for the Ministry of Education to provide UFV with their high school records. Visit the BC Ministry of Education Student Transcripts Services website to submit authorization at studenttranscripts.gov.bc.ca. Current Grade 12 students should select the option to provide authorization for one year to allow UFV to collect their interim and final grades.

OUT-OF-PROVINCE HIGH SCHOOL APPLICANTS

You are considered to have the equivalent of a BC high school diploma if you have graduated from high school in another province. Students in Quebec must have also completed one full year of CEGEP. Out-of-province course equivalencies can be found on our website at ufv.ca/admissions.

ENGLISH REQUIREMENTS

English is the language of instruction at UFV. The minimum level of English proficiency for most degree and diploma programs at UFV is a C+ in English Studies 12 or equivalent.

ADVANCED STANDING & ENRICHED PROGRAMS

Students who complete International Baccalaureate (IB) or Advanced Placement (AP) courses may earn transfer credit depending on their grades. To transfer credits for your IB and AP courses, you must meet the minimum grade requirements and send your official transcripts from the International Baccalaureate Organization or the College Board to UFV Admissions. Transfer credit is granted for IB courses with a grade of 5 or higher and AP courses with a minimum grade of 4.

TRANSFER STUDENTS

Students who have attended other post-secondary institutions may be eligible to receive transfer credit. When applying, list all the institutions you have attended and submit an official transcript from each one. All final decisions on transferability and transfer credit are made after UFV receives and evaluates all official transcripts.

PROGRAM-SPECIFIC REQUIREMENTS

Most programs require that applicants meet additional entrance requirements beyond UFV's general admission requirements. These may include academic requirements, such as specific course grades and grade point averages, and supplementary supporting documents, such as references, a written statement, or submission of a portfolio. To learn more about program-specific requirements, turn to pages 22 to 26.

**If you don't meet your
program's admission
requirements yet,
we're here to help.**

UFV offers upgrading courses, flexible pathways, and assessment options that can help you qualify for your program.

In many cases, you can take upgrading courses alongside first-year classes, so you can begin working toward your goals sooner. Whatever your starting point, UFV is committed to creating a supportive, inclusive learning environment where every student has the opportunity to succeed.

Your future has funding options

Applying for financial aid and awards can help you save during your time at UFV.

Every year, millions of dollars in federal and provincial loans, grants, bursaries, scholarships, and awards go to UFV students through UFV's Financial Aid and Awards office. Visit ufv.ca/money to learn more.

STUDENT LOANS

Applications for student loans are made through your bank or the government. As these are loans, you will need to start paying these back six months after your studies end. Eligibility depends on income and course load.

GRANTS & BURSARIES

A grant is funding that doesn't need to be repaid and may be awarded based on financial need or field of study. Bursaries are also non-repayable and are awarded based on need.

TUITION WAIVERS

Former BC youth in care (ages 19–26) may qualify to have tuition and fees waived.

First-year costs for full-time students (2026/27 estimates)

	Undergraduate Ten 3-credit courses (100–400 level)	Trades & Technology 36-week foundation program
Application fee	\$55.95	\$55.95
Tuition fees	\$5,709.90 (\$190.33 per credit)	\$5,672.88 (\$157.58 per week)
Student Union Society fees	\$355.48 (\$177.74 per semester)	\$355.48 (\$177.74 per semester)
SUS health and dental fee	\$195.59	\$195.59
Total	\$6,316.92	\$6,279.90

Tuition and fees are subject to change. Fees may vary by program. See ufv.ca/tuition-fees for more info. For international fees, visit international.ufv.ca.

SCHOLARSHIPS & AWARDS

UFV offers entrance scholarships for recent high school grads (apply by March 10, or September 10 for trades), plus millions in scholarships for students who excel academically or contribute to their communities.

INDIGENOUS FUNDING

If you self-identify as Indigenous with the Indigenous Student Centre, you may be eligible for band funding, scholarships, bursaries, and other supports.

Earn while you learn

CO-OPERATIVE EDUCATION (CO-OP)

Co-op combines academic studies with relevant work experience. Academic semesters alternate with four-, eight-, or 12-month work terms, giving you up to two years of relevant work experience.

WORK-STUDY PROGRAM

Build your skills while you study. Gain 120 hours of professional experience in a single semester while you take courses. UFV hires Work-Study students, so you can work right here on campus.

From curious to campus.

One year. One path. Here's how to prepare to start at UFV next September.

You don't have to figure it all out on your own. Scan the QR code below to join a workshop, information session, or watch a pre-recorded webinar. Learn what comes next, and feel confident every step of the way.
