

Diabetes by the numbers

1 in 3 Canadians – 11 million – have diabetes or prediabetes today

Another Canadian is diagnosed **every 3 minutes**

1.5 million Canadians have type 2 diabetes – and don't know it

6 million Canadians live with prediabetes – half will develop type 2 diabetes if nothing is done

Health impact – from head to toe

Join us to End Diabetes

With the adoption of a national diabetes strategy, Diabetes 360°, we can achieve results in just 7 years by focusing on these key targets:

90% of Canadians live in an environment that preserves wellness and prevents the development of diabetes

90% of Canadians living with diabetes are engaged in appropriate interventions to prevent complications

90% of Canadians are aware of their diabetes status

90% of Canadians engaged in interventions to improve health outcomes

Join us to achieve these goals!

Diabetes Canada relies on generous donations from people like you to help us support Canadians with diabetes or prediabetes on a national scale with our population impact strategy. Donate now at diabetes.ca/donate.
