Resident Elder Services

MEET OUR ELDERS AND KNOWLEDGE KEEPERS

UFV's Resident Elders and Knowledge Keepers encourage and promote understanding and respect for Indigenous perspectives, culture, and values. Resident Elders are here to support and encourage Indigenous students and to promote the Indigenization of UFV.

Students may connect with Elders in person on scheduled days, and/or by request!

Students can request one-on-one meetings with Elders for cultural guidance and project/course work. Please visit ufv.ca/isc/elder-services and fill in the online form to book an appointment, or email isc@ufv.ca.

Our Elders can also provide support to faculty and staff for the following activities:

- In-class support for students
- Indigenous knowledge and cultural activities, and
- Attendance at requested meetings

Support for faculty and staff may require an honorarium payment. Please fill in our online request for support at ufv.ca/isc/elder-services/, or email isc@ufv.ca.
