Notes and Terms

Historical numbers in this year's Factbook may differ slightly from previous Factbooks due to (i) changes in data definitions or (ii) retroactive changes made to historical records.

Age: As of September 30th of the Fiscal Year.

Continuing Education (CE): Non-academic and non-trades programs or courses.

Credential "None": A program that does not grant a UFV credential.

Domestic/International: If a student pays international fees for part, or all, of a given Fiscal Year, they are counted as International in that Fiscal Year.

Fiscal Year: Unless otherwise stated, all data is for Fiscal Year, which runs from April 1 to March 31 of the following Calendar Year.

FTE: Full Time Equivalent student. This is calculated as recognized credits (or hours) divided by the appropriate program divisor. FTEs represent UFV's instructional activity converted to represent the number of students carrying a course load corresponding to normal progression in their program. To count for FTE purposes, a student course registration must have passed the stable enrolment date and be considered instructional activity as defined by the Ministry.

Full Time/Part Time (FT/PT): A student is Full Time in a Fiscal Year if the student generates at least 0.6 of an FTE; a student with less than 0.6 but greater than zero FTEs, is Part Time.

Graduate: A student who graduates from a UFV program. A student may be granted multiple credentials in a given year. Students graduate once a year in June and these graduates are attributed to the previous Fiscal Year. For example, June 2019 graduates are attributed to Fiscal Year 2018-19.

Headcount: A student is included in Headcount if the student generates positive FTEs.

Indigenous Student, Self-Declared: Students can self-declare as being Indigenous while studying at UFV. UFV does not require students to declare their status. On their application form, students may elect to self-declare as Aboriginal, First Nations, Métis, or Inuit.

New to UFV: A student is New to UFV when the student first generates a positive FTE at UFV in a non-CE term. New to UFV is set only once for each student.

Registration: A single student enrolment in a course that generates any FTEs.

Returning to UFV Student: A student is Returning to UFV if the student has previously generated FTEs at UFV, in a non-CE term.

Unduplicated Headcount: Each student is counted only once; a student is not counted as a member of multiple groups.
