

# UFV MATH & STATS CENTRE

Drop in —  
No appointment  
necessary!

The Math & Stats Centre is a great place for students to study mathematics and statistics individually or in groups, and get help from a faculty member or a student monitor.

## UFV Math & Stats Centres provide students with:

- **Individual help** with concepts taught in any of the UFV Math or Stats courses
- **Collaborative learning environment** for working in small groups
- **Support with online homework systems** such as WebAssign or MathXL
- **Support with mathematics and statistics software** such as Maple or Minitab
- **Library** of mathematics and statistics books and journals
- **Access** to computers and a printer
- **Additional learning resources** such as links to lecture videos for specific courses

### UFV Math & Stats Centre locations:

Abbotsford campus, Room G161

1-888-504-7441 x 4313

Chilliwack campus at CEP, Room A1212

1-888-504-7441 x 2432

# UFV MATH & STATS CENTRE

UFV Math & Stats Centre promotes mathematics and statistics, and offers student employment.

## Participate in extracurricular Math & Stats activities:

- Sign up for the annual **Math Match** competition, offered during the reading break in winter semester
- Participate in the monthly **UFV Math Contest**
- Sign up for the **UFV Math Club**
- Take part in **Math Talks**
- Browse through and contribute to the display of **puzzles**, geometric **models**, and student **projects**
- Help with events such as the **New Student Orientation**, **Math Mania**, the **BC Secondary Schools Math Contest**, **Math Social**, and more

## Become a Math & Stats Centre monitor!

If you love math or stats and if you are passionate about helping others, apply for a Math & Stats Centre Monitor position. The application forms are available at the Abbotsford M&SC, room G161, and in the Mathematics and Statistics Department Assistant office, room D3049.
