

Kaltura Capture: How to Record

1) **My Blackboard** > (on the left) > **My Media** > **Add New** > **Kaltura Capture**

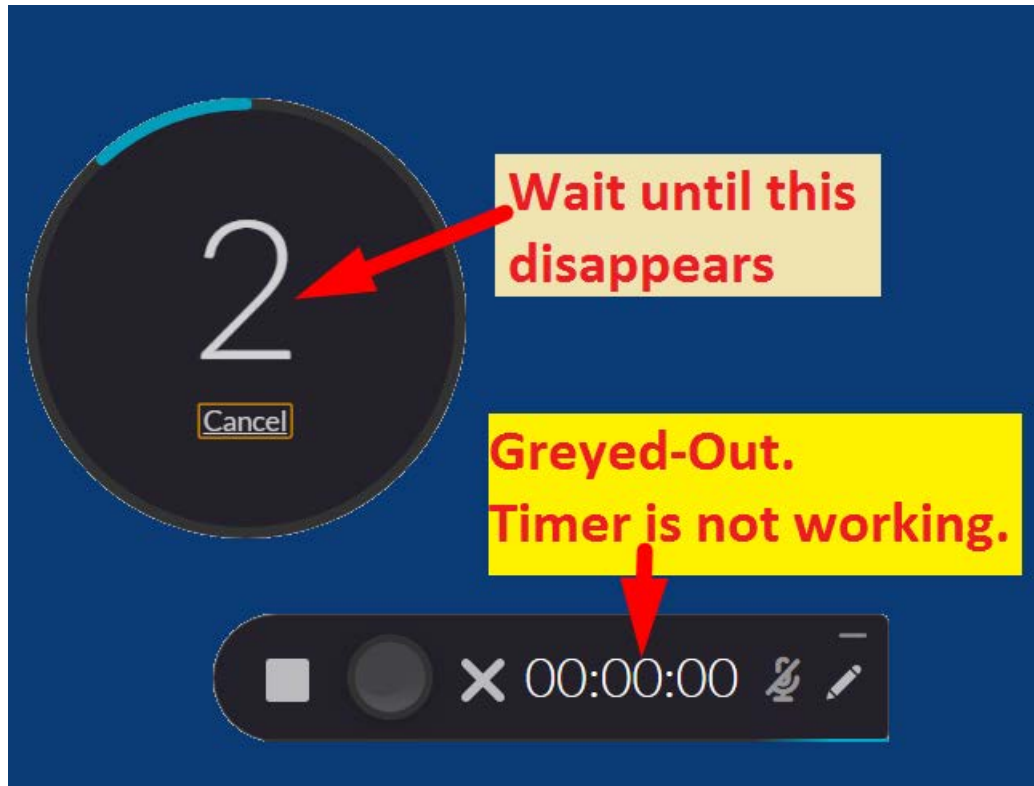

2) **Big Red Button = Record**

Check if your **recording sources** are correctly **selected** and turned **on/off**.

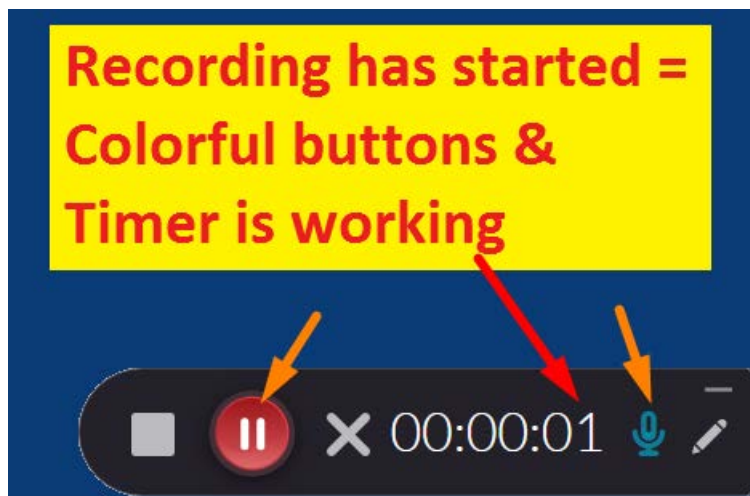

3] **Wait until** the count-down button disappears.

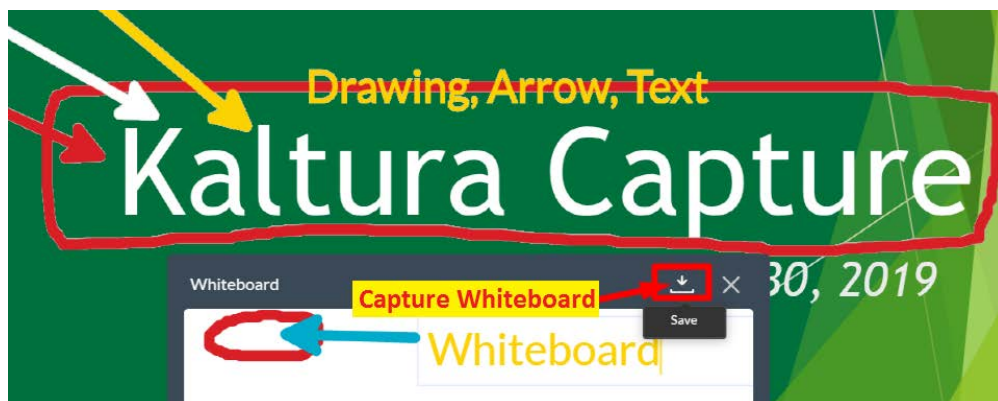

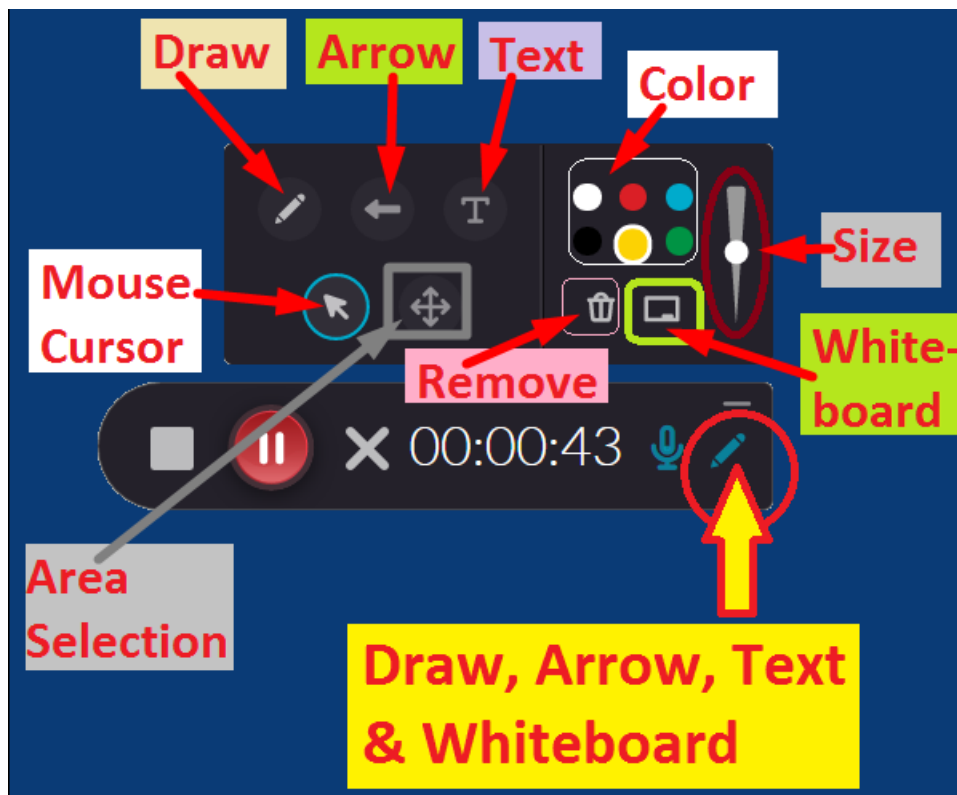

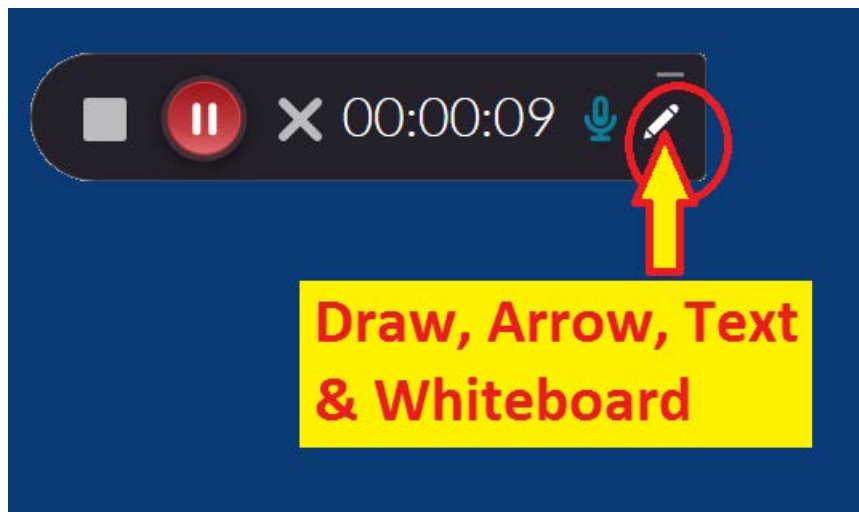

The recording timer is not working = No Recording Yet = Wait

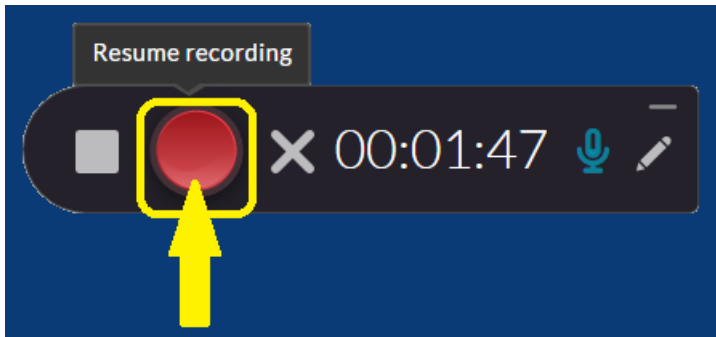

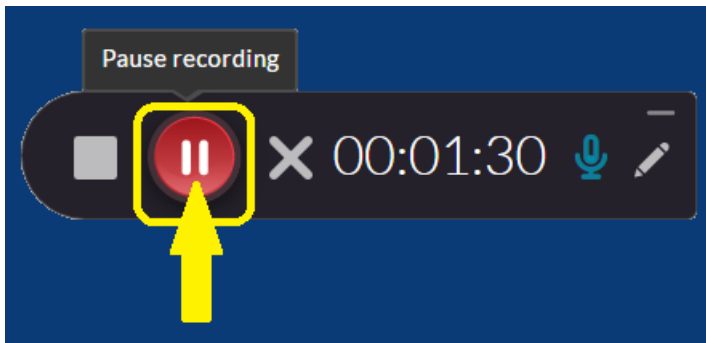

4] The **recording timer** is **working** = **Recording**

5] Optional: Draw, Arrow, Text & Whiteboard

6] Optional: Pause & Resume

7] Stop button > Yes, Stop it > Result: "Recording completed and saved successfully."
Go to the [next document](#) to learn how to [preview, save & upload](#).
